To whom it may concern,

My religious beliefs are very similar to most Christian denominations during the Founding era of our country. Our founders held that they were forbidden to overthrow the institution of government and live in anarchy. However, they were not required to blindly submit to every law and policy, specifically tyrannical edicts.

Governments derive their power from the consent of the governed. God ordained government in lieu of anarchy – He opposed rebellion, lawlessness, and wickedness and wanted civil government in society. God raised up leaders to oppose tyranny such as Gideon, Ehud, Jephthah, Samson, Deborah, and others; Hebrews 11:32 specifically praises these acts of faith.

I do not oppose constitutional laws or vaccination. I oppose the mandate that overrides the will of the individual; the will specifically ordained and delivered by God himself (Galatians 6:7-8, Philemon 1:14, Deuteronomy 30:19-20, and others). Joshua 24:15 specifically addresses this, saying "But if serving the Lord seems undesirable to you, then choose for yourselves this day whom you will serve… but as for me and my household, we will serve the Lord." Coercing employees into a medical procedure violates a core pillar of my faith: that of free will. This vaccine mandate, administered through coercion by tyrannical and unholy decree, is to be resisted ethically, morally, and faithfully.

Any coerced medical treatment goes against my religious faith and the God given right to dominion over my body, free of coercion or force. Corinthians 3:16-17 "Do you not know that you are a temple of God and that the Spirit of God dwells in you? If any man destroys the temple of God, God will destroy him, for the temple of God is holy, and that is what you are." I cannot submit to a mandate that takes the Lord's temple and submits it to the will of anyone but God and no man on earth can tell me what His will is.

Compelling me to take an injection against my free will is akin to forcing me

to take the mark of the beast and, given current events, it may be exactly that. Revelation 13:16-17 states “It also forced all people, great and small, rich and poor, free and slave, to receive a mark on their right hands or on their foreheads, so that they could not buy or sell unless they had the mark, which is the name of the beast or the number of its name.” Resistance to satanic authoritarianism is part of my core belief structure. Revelation 20 follows with “I saw thrones on which were seated those who had been given authority to judge. And I saw the souls of those who had been beheaded because of their testimony about Jesus and because of the word of God. They had not worshiped the beast or its image and had not received its mark on their foreheads or their hands. They came to life and reigned with Christ a thousand years.”

My soul cannot be jeopardized by authoritarian mandates that resemble the mark of the beast. I do not know what the mark will be and this may not be it, but I do not want to accidentally take the mark. Further supporting measures that could lead to the mark being mandated will be resisted even at the risk of my own life. Germany, for example, is allowing grocery stores to turn away unvaccinated people, which I believe may be a sign that this is indeed the mark of the beast. Austria has placed nearly a quarter of its population under house arrest, denying them the ability to move freely or conduct commerce outside of their homes.

I am not anti-vaccine; I have had all kinds of vaccinations in my life, from childhood to adulthood. Nevertheless, I am religiously required to reject a mandate that could result in the mark of the beast, even if that prevents me from earning a living for my family.

I have been a full-time Job Title / Position Description
(at times working remotely) for Company Name / Contractee
since Initial Start Date. I have had a “reasonable accommodation” in place since then via working (at times) remotely; wearing a mask, social distancing, and having a workspace that is large

enough with partial wall cubicle dividers to maintain social distancing from other work spaces while in the offices of Company Name / Contractee 1.
My job does not require travel or going to any Alternate Locations List.

Company Name / Contractee 1 provides the necessary resources on hand to ensure the replacement of masks and to sanitize work areas. Furthermore, any interaction with the public is via a how interactions with the public is handled
how interactions with the public is handled continued
(so no direct physical contact with the public). There is no reason to believe that needs to or will change anytime soon.

Title VII of the Civil Rights Act of 1964, which prohibits employment discrimination based on religious beliefs or moral convictions. It requires employers to accommodate someone's "sincerely held" religious beliefs and practices unless doing so would create undue hardship on the employer.

If my medical status caused a substantial risk of serious harm, a risk “that cannot be reduced by any other means”, I would understand. However, my existing work accommodations reduce this risk to zero. I believe my current work arrangement, in-place since date work arrangements started,
description of arrangements
does not represent a “high and difficult burden” for Company Name / Contractee 1
Company Name / Contractee 1.

If required or deemed necessary, I would be open to increasing the amount of hours I work remotely from home. I have gained a wealth of professional knowledge in my current role and have supported Company Name / Contractee 1
Company Name / Contractee 1
with its mission. My hope is to continue to serve Company Name / Contractee 1
.

My lack of a vaccine will not create an undue hardship on Company Name / Contractee
Company Name / Contractee 1
,
nor has it the entire time I have been working for Company Name / Contractee 1

Company Name / Contractee 1

in a position type position with Company Name / Contractee 1

Company Name / Contractee 1 Continued .

However, if Company Name / Contractee 1 wishes to deprive me of employment because of this, I will only see this as confirmation that this is indeed the mark and part of the devil's plan for the mark mandates.

I wish to continue as a loyal Company Name / Contractee 1 employee, and I hope and pray that this exemption is approved.

Thank you.
